Dear Vendor:

DLA Troop Support Industrial Hardware has approved the renewal application of Standard Aero Parts (CAGE code 1DN91) as a qualified Distributor of Rivets, Class 2 and Class 3 Threaded Fasteners under the Qualified Suppliers List for Distributors (QSLD) Program for another 3 years, effective the date of this letter. Keep in mind that audits may be conducted at any time, and qualification is always contingent upon your continual compliance with the Criteria and Provisions of the QSLD Program.

As a reminder, your company's status as an approved source will expire on March 21, 2024. A renewal application must be submitted 120 days before the expiration date in order for your application to be processed in a timely manner. If your status expired and no renewal application has been submitted, your company will be removed from the QSL program.

Any questions regarding this matter can be addressed to Nicholas Vena at (215) 737-0934 or nicholas.vena@dla.mil. You can also browse the DLA QSL website at <http://www.dla.mil/TroopSupport/IndustrialHardware/EngineeringandTechnicalservices/QualifiedSuppliersList.aspx>. The Criteria and Provisions for each commodity type within the QSL Program are updated periodically; as such, please review our website prior to submitting a renewal application. Thank you for your participation.
